

Referral Program

There is no better time to make a friend your neighbour than right now. If you are an owner of an Ascension Builders home, tell your friends and family about us and we will pay you a referral fee of \$1,000 cash or credit towards a project in your home!

Already know someone you want to refer? You can do the following:

- Email your referral information to Ashley@Ascensionbuilders.ca
- Call us and give us the name of the person you are referring

Here's the fine print:

- *All introductions must be made prior to your friend or family member meeting with us.*
- *The amount you earn will be paid 45 days after the completion of the referred parties' purchase of a new Ascension Builders home.*

It's that simple! Start telling your friends and family today!

**This incentive is subject to change or end at any time. To be eligible for a referral payment, you must have purchased a home from Ascension Builders or be living in an Ascension Builders home. No payment will be made if the purchase does not complete.*
